Sheriff Pat Rummel presented his monthly report. He also discussed with the board that without proper certification being received for the Billings County Rural Fire team, that County Emergency would be calling Dickinson Fire and Dive Team for high angle and swift water rescues, which the county has an agreement with for those types of calls.

Billings County Rural Fire Board Member Cody Reis was present to inform the board that the Billings County Rural Fire Chief had given his verbal resignation. There will be a Fire Board meeting on Thursday to accept his written resignation.

Al and Jennifer Schaeffer were present to discuss a request for the County to obtain an easement from the Forest Service for ¼ mile to a privately owned parcel. The Forest Service will be contacted to set up a meeting with Road Superintendent Iverson.

The board reviewed zoning requests that had been addressed by the zoning board at their August 18, 2016 meeting as follows:

Billings County School District: Application to construct a cold storage building on a 4 acre tract in the SW1/4SW1/4 11-142-99 (1996 Hwy 85 SW, South Fairfield). Also requested is a variance for the setback requirements, structure is proposed to be 210' from the center of Highway 85. Most Fairfield structures are at 200' from prior zoning ordinance. The zoning board approved the application and the variance. Kessel moved to uphold the zoning board decision. Kasian seconded. All voted aye.

Legacy Hills, LLC; Tawnya Bulger and Tanya McFarland: Application to rezone a 21 acre tract in the NE1/4SE1/4 section 34-140-102 (3565 East River Rd) from Agriculture to Commercial for a destination event center with lodging. Also requested is a variance to allow horses on the 21 acre tract. Property is currently owned by Gary Peterson and Robert Bristlin. The zoning board approved the rezone conditional upon purchase agreement being presented in writing. Nothing has been turned in at this time. This will be tabled until received.

Discussion ensued regarding the next zoning meeting which will be held September 21, 2016 at 1PM at the Fairfield Fire Hall due to scheduling conflicts with the Courthouse courtroom.

The board received and approved the following ARW permits with road superintendent conditions:

- Elizabeth Gregory - Section 6-142-100 along Blacktail Road and Section 3-143-100 along 18th St SW

Jim Wosepka was present to discuss the 2015 audit. He stated that the county is in good financial position. He did state that if there is any revenue received by a department other than the Auditor/Treasurer, they should not be depositing those funds in any other checking or savings, and that they should be turned over to the Auditor/Treasurer's office. The ambulance department had a checking at one time, but that has since been closed. Recorder/Clerk of Court Donna Adams stated that her office currently deposits checks and issues refunds. Wosepka made clear that that was not acceptable and that the account should be closed. Auditor Lamb and Recorder/Clerk of Court Adams will work together to change this. Kessel moved to approve the 2015 Audit Report. Kasian seconded. All voted aye.

Kurt Froehlich presented the Extension Service 2017 budget request.

Justin Hyndman was present to discuss the monthly engineers report.

Road Superintendent Jeff Iverson presented his monthly road report. Discussion regarding meeting dates for NDACo and NDACE local roads program.

The board recessed from 12:20 to 1:00 P.M.

At 1:00PM, the Preliminary budget hearing was opened. Auditor Lamb presented the individual department budgets as well as the requests from outside agencies. Ambulance Director Keri Rummel discussed the ambulance medications that used to be provided by St. Joseph's Hospital. They are no longer providing medications to ambulance services. The ambulance cannot bill patients for these, but the hospital could. She requested to add a line item to the ambulance budget in the amount of \$20,000 for the purchase of these meds. Kasian moved to approve the 2017 preliminary budget as presented and adding the medication line item for Ambulance. Kessel seconded. All voted aye.

States Attorney Brovold was present and the board discussed an access agreement with him. Arthaud stated that the gravel is critical for the county and would like him to work on this.
